VACANCY/TRANSFERS/REASSIGNMENT

8.0 VACANCY/TRANSFERS/REASSIGNMENT

8.1 DEFINITIONS

8.1.1 Vacancy: The term “vacancy” shall be defined as an opening, which remains funded, resulting from the resignation, retirement, death, promotion, or termination of an employee, or the creation of a “new position.”

8.1.1.1 When a vacancy occurs within ninety (90) calendar days from the closing date of a prior recruitment with the same position requirements, the Employer may select the next available ranked candidate from that prior recruitment.

8.1.2 Transfer/Reassignment: A transfer/reassignment refers to any action by the Employer which results in the movement of a Unit Member from the position held immediately preceding such action to a position under a different Immediate Supervisor. A transfer/reassignment may be Unit Member initiated (voluntary) or Employer initiated (involuntary).

- a. Voluntary transfer/reassignment – Initiated by either the Employee or the Employer with the consent of the Employee.
- b. Involuntary transfer/reassignment – Initiated by the Employer without the consent of the Employee.

8.1.3 A transfer/reassignment, whether voluntary or involuntary, shall not result in the loss of compensation or any fringe benefits to the Unit Member transferred/reassigned, unless such transfer/reassignment is to a position with a decrease in hours per work day.

8.2 TRANSFERS/REASSIGNMENT CRITERIA

Whenever a transfer/reassignment is being considered, voluntary or involuntary, the request will be reviewed and assessed by administration based on the following:

- The legitimate needs of the Employer, which shall not be determined arbitrarily or capriciously;
- Credentials to perform the required service;
- Skills, talents, or experiences unique to the transferee;

- Previous written evaluations, teaching performance and relationships with personnel and agencies; and
- Unit Member preference and seniority.

8.3 VOLUNTARY TRANSFERS/REASSIGNMENTS

8.3.1 Unit Members may initiate their own transfer/reassignment by submitting an Employer generated transfer/reassignment request form to the Human Resources Department.

8.3.2 The transfer/reassignment request form may be submitted in response to a particular opening that has been posted in the County Office or for purposes of receiving consideration for vacancies as they occur.

8.3.3 All transfer/reassignment request forms received shall be kept on file **electronically or hard copy** in the Human Resources Department until June 1 of each school year.

8.3.4 Voluntary transfers/reassignments will be given due consideration based exclusively on the legitimate educational needs of the County Office and shall not be denied arbitrarily, capriciously, or without a basis in education need.

8.3.5 Unit Members who have submitted an Employer generated transfer request form and are qualified for a vacant position will be considered for the position prior to the employment of anyone outside the county office.

8.3.6 No voluntary transfer/reassignment shall be granted which will displace or result in the termination of another Unit Member.

8.3.7 A Unit Member may request a meeting with their supervisor and Assistant Superintendent, Human Resources or his/her designee should they not receive a requested voluntary transfer/reassignment.

8.4 INVOLUNTARY TRANSFERS/REASSIGNMENTS

8.4.1 Involuntary transfers/reassignments shall be based exclusively on the legitimate educational needs of the County Office and shall not be made arbitrarily, capriciously, or without a basis in educational need.

8.4.2 Involuntary transfer/reassignments may be made for the following reasons:

- a. Vacancy;
- b. Fluctuations in pupil enrollment;
- c. Placement of personnel commencing or returning from leaves;
- d. Opening and closing of schools, classes or programs;
- e. Improvement of instructional program, operations of the organization, and/or staffing requirements such as teaching experience, specialized skills and talents, male-female and ethnic balances; and/or
- f. Incompatibility and/or improvement of performance.

8.4.3 Unit Members shall not be involuntarily transferred/reassigned more than one (1) time every three (3) years except in those instances where a demonstrated need exists as described above.

8.4.4 Transfers/reassignments for reasons of incompatibility or improvement of performance shall not occur unless there exists proper documentation evidencing the need for the involuntary transfer/reassignment or the evaluation process has been followed and the employee/supervisor conferences have been held in an attempt to resolve the problems.

8.4.5 Unit Members transferred/reassigned involuntarily after August 1 shall be provided reasonable release time with a substitute and appropriate assistance for the transition.

8.5 ANNOUNCEMENT OF VACANCIES

8.5.1 All vacancy notices or certificated bargaining Unit Member positions shall be posted and distributed as follows:

- a. Human Resources shall post all vacancy notices on EDJOIN. Such notices shall include the position description, program, job title, credentials requirement(s) and a closing date for application. The closing date shall be not less than seven (7) working days following the initial date of posting.
- b. For Extended School Year (ESY) and Summer School (SS) the closing date for accepting applications pursuant to a vacancy notice shall not be less than five (5) working days following the initial date of posting.
- c. Human Resources shall notify all Department Heads and Unit Members of the posting of vacancy notice via County Office mail.

8.5.2 All Unit Members meeting the job specifications as announced, who complete the transfer/reassignment request form, shall be considered for the position; however, the final selection shall be in the sole discretion of the Employer.

8.6 CONVENTIONAL SCHOOL YEAR ASSIGNMENTS

Except for non-students duty days, employees who are assigned to work at schools or other facilities that operate on a “conventional school year” schedule (e.g. August or early September through mid-June) shall work during the same period as that school’s certificated employees, beginning no earlier than the first day on which teachers employed by that school district are required to commence work for the school year, and ending no later than the last day on which certificated employees assigned to that school are required to work. Special Education employees who work in regionalized programs that serve multiple districts with different school calendars may have a schedule designed over a calendar year rather than a school year. Such employees include the Infant/Toddler, Low Incidence, Adapted Physical Education, Credentialed School Nurses and Speech Programs.

ARTICLE 9

HOURS AND WORK YEAR

9.0 HOURS AND WORK YEAR

9.1 GENERAL

9.1.1 In recognition of the fact that Unit Members are a professional group committed to fulfilling their responsibilities, including the arrival at and departure from their assignments and the continuance of their duties, and in recognition of the wide variance of programs administered by the County Office, each program shall determine what the work hours are based on the length of workday hours for each of the individual programs.

9.2 WORK YEAR

9.2.1 The number of scheduled work days for Unit Member shall be 183 work days or as required for compliance with the applicable provisions of the Education Code.

9.2.2 For any days of service required in addition to those specified in 9.2.1 above, Unit Members will be compensated at his/her daily rate of pay; however, an employee who voluntarily attends an approved conference or event that includes non-duty days (e.g. Saturday or Sunday) will not be compensated for those days of attendance. The maximum number of duty days exclusive of holidays, may be extended by the Employer to match the school term duty days of the school to which the Unit Member is assigned.

9.3 WORK DAY/HOURS

9.3.1 The Employer recognizes that the varying nature of a Unit Member's day-to-day professional responsibilities does not lend itself to an instructional day of rigidly established length. The instructional work day for Unit Members shall generally be six (6) hours and forty-five (45) minutes, not including lunch, unless the Employer designated assignment is on a special education comprehensive high school or Career Technical Education Charter High School campus, which shall be seven (7) hours and fifteen (15) minutes, not including lunch.

9.3.2 Generally, the instructional day will consist of the following dependent on program assignment:

Function	6.75 Instructional Day	7.25 Instructional Day
Student Contact	330	360
Other/Breaks	45	45
Preparation Time	30	30
Total Number of Minutes Equal	405	435

The parties of this Agreement acknowledge that FCSS Certificated Employees may require some variance to the above.

9.4 OTHER PROVISIONS

9.4.1 Unit Members are expected to arrive thirty (30) minutes prior to the opening bell time and remain fifteen (15) minutes after the closing bell to ensure a safe departure of students.

9.4.2 The workday for Unit Members shall be determined by the program/site's bell schedule.

9.4.2.1 When the basic instructional day for members of this unit requires a longer workday/work year, based on program need, and with the pre-approval of the Employer, supplemental time will be compensated on an Employer generated form.

9.4.3 The instructional workday shall generally include classroom preparation/professional development time of thirty (30) minutes. Unit Members are responsible for their instructional day duties, which include assignments, Employer meetings, special help to student(s), student supervision, and other assignments, which are determined by management to be necessary for the efficient functioning of the County Superintendent.

9.4.4 In addition to Employer meetings as specified in sub-section 9.4.5, regularly scheduled meetings shall be held between the flexible work hours of 7:30am and 5:00pm with attendance being mandatory. Such meetings shall be scheduled in advance and a calendar shall be disseminated to applicable staff members. No more than twelve (12) meetings beyond the assigned instructional day shall be held during any school year, with two (2) of the twelve (12) reserved for unforeseen circumstances. There shall not be more than two (2) meetings held in any calendar month. Mandatory attendance at meetings is considered a vital professional responsibility. A Unit Member's failure to attend scheduled meetings, without adequate excuse, will result in disciplinary action pursuant to Article 23 and applicable Education Code provisions.

9.4.5 Unit Members will be expected to attend, as applicable, a minimum of four events per school year of the following: Back to School Night, Open House, Graduation, Parent Advisory Committee, Career Pathway Employer Advisory meetings, Student Project Presentations to Parents and the Public, English Language Advisory Committee (ELAC), and District English Language Advisory Committee (DELAC) meetings, as mutually agreed upon by the Unit Member and immediate Administrator.

9.4.6 Every effort will be made to maintain safety standards for all staff members during extra school or in-service activities. Additional instructional day duties shall be assigned on an equitable basis. Voluntary services over and beyond these are the choice of the Unit Member.

9.4.7 Except for unusual circumstances, notices of meeting and agendas shall be given to Unit Member at least three (3) days prior to such meetings.

9.4.8 Depending on the desire of the affected Unit Members and satisfactory arrangements with the Probation Department, for the employees of Court & Community Schools, the instructional day may be from 7:30am to 3:45pm. Other beginning and ending times may be established by mutual consent of a majority of the affected Unit Members and the Employer from time to time, not to exceed six (6) hours, forty-five (45) minutes excluding lunch.

9.4.9 Pursuant to the Terms of the Agreement, Unit Members shall have a minimum of thirty (30) minutes duty free lunch period.

9.5 EXTENDED SCHOOL YEAR (“ESY”) / SUMMER SCHOOL (“SS”)

9.5.1 ESY/SS supplemental assignments are contingent upon funding and/or student enrollment. When ESY/SS sessions are offered, the positions will be filled as follows:

9.5.1.1 The Unit Member will be given first right of refusal to provide supplemental services when Unit Member complies with application process and deadline (EDJOIN) as established by the Employer and the Unit Member meets the program needs in the available classroom.

9.5.1.2 When application process and deadline are met, the Employer will fill the supplemental assignment based on the transfer/reassignment criteria as set forth

in Article 8.2. When the application process and deadline are not met, the Employer will fill the supplemental assignment.

LEAVES AND ABSENCES FROM DUTY PROVISIONS

11.0 LEAVES AND ABSENCES FROM DUTY PROVISIONS

11.1 GENERAL

The Employer shall grant Unit Members leaves of absences, with or without pay, subject to the provisions contained herein.

11.1.1 Said leave benefits are the sole leave benefits which are part of this collective agreement, and it is agreed that other leave benefits are not incorporated, either directly or implied, into this collective agreement, nor are such other leave benefits subject to the grievance procedure, Article V.

11.2 SICK LEAVE

11.2.1 A full time Unit Member shall be entitled to ten (10) days leave with pay for each school year for purposes of personal illness or injury. Said days are to be credited each year at the start of the new fiscal year. A Unit Member employed for less than full time shall be entitled to that portion of the ten (10) days leave as the number of hours per week of scheduled duty relates to the number of hours for a full time Unit Member in a comparable position.

11.2.2 Sick leave may be used in no less than one quarter (1/4) hour increments, starting from the time the Unit Member fails to appear for service at his/her regular time or leaves his/her assigned place of service, exclusive of time outside the Unit Member's regular work day and lunch period.

11.2.3 Unused sick leave shall accumulate year to year. A Unit Member who has exhausted his/her total hours of sick leave and whose attendance record reflects total or partial leave docks and a possible pattern of abuse, including but not limited to, Monday/Friday absences, absences that extend holiday periods, excessive partial absences, and routine failure to work a full week as evidenced by excessive payroll docks that create an undue hardship on the department/program and/or have a negative impact on service delivery, shall be subject to disciplinary action, up to and including termination, and/or disqualification of supplemental assignments. Supplemental

assignments include, but are not limited to, extended school year, intersession, summer sessions, and adjunct classes.

11.2.4 Unit Members employed for summer school and/or extended sessions shall be credited an additional day of sick leave for each session which shall be cumulative. Days accumulated may be used during the regular school session, summer school, or extended session.

11.2.5 Upon exhaustion of all accumulated sick leave, a Unit Member who would otherwise qualify for sick leave under the provisions of this Article shall receive differential leave for up to a maximum of an additional five (5) calendar months. Differential sick leave shall be paid at not less than the difference between his/her pay and the amount paid a substitute at the lowest daily rate of substitute pay; or, if no substitute has been employed, the amount that would have been paid a substitute.

11.2.6 A Unit Member on differential sick leave which extends into a new fiscal year shall be eligible only for the unexpended days of the initial differential sick leave for the same illness or injury.

11.2.7 As required by the Family Medical Leave Act (FMLA) of 1996, employees on a paid differential sick leave (PDSL) will be notified at the beginning of a PDSL that the first twelve (12) weeks of a PDSL will be counted against the twelve (12) week FMLA leave entitlement noted in Article 11, Section 11.6.

11.2.8 The Employer or his/her administrative designee may require a Unit Member to provide proof of illness or injury when an Employee is absent three consecutive days or more or when a Unit Member's attendance reflects a possible pattern of abuse. Potential patterns of abuse include, but are not limited to, Monday/Friday absences, absences to extend holiday periods.

If the verification of illness or injury requires the services of a doctor, which the Unit Member would not otherwise have required, the Employer, or his/her Administrative Designee, may designate the doctor and the Employer shall be liable for only the service fee necessary to procure said verification. If the Unit Member has already made an appointment with, or is under the care of a doctor relating to the illness for which verification requested, the Employer shall incur no liability.

11.2.9 Sick leave which has been credited and used but not earned upon termination shall be repaid by deduction from final salary settlement. Said deduction shall be the rate of pay in force as of the date of termination.

11.2.10 A certificated employee may have his/her sick leave balance at a school district or another County Office of Education transferred to his/her sick leave balance accumulated pursuant to 11.2.1 provided:

- a. He/she was employed at said prior school agency within the state of California for at least one (1) school year; and
- b. He/she is employed as a certificated employee by the County Office within the school year succeeding that in which he/she terminated said prior employment.

11.2.11 All additional provisions for the application of this sick leave policy are detailed in E.C. 44977, 44978.

11.3 CATASTROPHIC LEAVE

11.3.1 The Bargaining Unit may provide information to the Superintendent to assist a Unit Member in their request for approval to allow donations of accrued sick leave to be used towards Catastrophic Leave for a Unit Member's long-term illness or injury. For purposes of this section, "catastrophic" means an illness or injury that is expected to incapacitate the Unit Member for an extended period of time and whose personal illness or injury prevents them from performing the necessary functions of their job for a period of time that extends beyond all other leave available to the Unit Member. Upon approval, it is the responsibility of the Unit Member who is contributing leave to fill out the Employer generated "Sick Leave Donation Form" to initiate this action and deliver the form to the Human Resources Department. The Employer will then transfer the number of days authorized to the Unit Member in need. Transferred days from a Unit Member are lost to Unit Member whether the days are used or not by the receiving Unit Member. A Unit Member cannot contribute catastrophic leave while in probationary status. In no case shall such leave extend beyond sixty (60) days of paid leave.

11.4 PERSONAL NECESSITY LEAVE

11.4.1 Any days of accumulated sick leave, may be used in one-quarter (1/4) hour increments by a Unit Member for Personal Necessity leave when the Personal Necessity is one of the following:

11.4.4 Unit Members shall submit notification for Personal Necessity/Personal Necessity Confidential leave to their Immediate Supervisor at least one (1) day prior to the beginning date of the leave, except where extenuating circumstances make this impossible. In such an event, the Unit Member will, as soon as possible, notify their supervisor of the circumstance and the need for Personal Necessity. No explanation/reason is required for Personal Necessity Confidential (PNC) leave.

11.4.5 Personal Necessity Confidential leave deductions shall be calculated in no less than one quarter (1/4) hour increments.

11.5 PERSONAL LEAVES OF ABSENCE

11.5.1 A Unit Member may be eligible for personal leave of absence, for a period not to exceed one (1) year, upon written application by the Unit Member, recommendation of the Unit Member’s appropriate administrator, and approval of the Employer.

11.5.2 Said leave of absence shall be without pay. A Unit Member on leave of absence under this personal leave of absence section in excess of thirty (30) calendar days shall not, from the date the leave starts, accrue seniority, sick leave or other fringe benefits granted to regular Unit Members.

11.5.3 A Unit Member must submit a request for personal leave of absence a minimum of thirty (30) days in advance in order to provide a reasonable opportunity to find a substitute employee for the duration of the Unit Member's leave of absence, if required.

11.5.4 Failure by the Unit Member on personal leave of absence to return to duty or to have notified the Employer and have been granted an extension, at the expiration of the approved leave period may be considered abandonment of position and the Unit Member may be terminated for cause.

11.5.5 Upon receipt of the Unit Member's notification to return, the Unit Member shall be placed in a vacant position in the Unit Member's previous program.

11.5.6 A Unit Member desiring to return to duty prior to the expiration of the approved personal leave period shall provide the Employer with a written request to return, specifying the date of availability. Upon receipt of the request to return and the approval of the Employer, the Unit Member shall be placed in a vacant position in the Unit Member's area of credentialing.

11.6 FAMILY MEDICAL LEAVE ACT ("FMLA") AND CALIFORNIA FAMILY RIGHTS ACT ("CFRA")

11.6.1 Employees who have completed one (1) year consisting of at least 1,250 hours of service are eligible for family leave.

11.6.2 Family leave is unpaid leave. For Unit Members on family leave, the County Office will maintain the Unit Member's health and welfare coverage under the group health and welfare plans, up to the legally required term. The County Office contribution for the health and welfare plans will be the same contribution that is made for Unit Members not on leave. However, should the Unit Member fail to return from the family leave, the cost of all health and welfare benefits will be reimbursed by the Unit Member to the Employer. The Employer may withhold any monies owed the Unit Member to satisfy the cost of health and welfare benefits owed to the Employer because of the Unit Member's failure to return to work at the end of a family leave.

11.6.3 REASONS FOR TAKING FAMILY LEAVE:

- b. The Unit Member must provide the Employer with medical certification documenting the need for FMLA/CFRA leave.
- c. Length of leave may not exceed twelve (12) calendar weeks and will run concurrently with paid sick leave, paid differential sick leave and paid industrial illness and accident leave when the leave is due to the Unit Member's own serious health condition. However, CFRA leave will not run concurrently with pregnancy disability leave.
- d. Upon completion of FMLA/CFRA leave, Unit Members will be restored to their original or equivalent position with equivalent pay, benefits, and other employment terms.

11.8.1 Upon request, the Employer may provide a Unit Member who is a natural or adopting parent a leave of absence for the purpose of maternity/paternity leave in accordance with the FMLA/CFRA and Education Code Section 44977.5. A Unit Member shall notify the Employer that he or she intends to take such leave at least four (4) weeks prior to the anticipated date on which the leave is to commence or less if approved by the Employer.

11.9.3 Every Unit Member shall be entitled to one (1) day leave of absence on account of the death of a brother-in-law or sister-in-law. No deduction shall be made from the salary of such employee, nor shall such leave be deducted from leave granted by other sections of the Education Code.

If a Unit Member enters the military service of the United States, he/she shall be given an indefinite leave of absence. He/she shall retain all rights of employment, and time spent in the military service shall be considered in computing years of service.

11.11.2 In the event a Unit Member enters the military service of the United States, the vacant position(s) and any position(s) created in the class of positions shall be deemed duration positions. Any person subsequently appointed to the class will be considered to have less credit for years of service than the Unit Member who left the position to enter military service. In the event a layoff is necessary, persons appointed to duration positions will be laid off first. 3. I do not choose to return to work at my usual and customary job site, but wish to be offered substitute positions for which I am qualified in the order of my seniority. I understand that if I decline an offer to substitute, I must forfeit a day's pay. I further understand that if no substitute positions become available during the remainder of the work stoppage, I will make up the days not worked at the end of the regular contract year during the supplemental contract period.
