ARTICLE 1

RECOGNITION AND EFFECT

1.0 RECOGNITION AND EFFECT

1.1 By the execution of a Recognition Agreement dated May 24, 1976, the Fresno County Superintendent of Schools (hereinafter "Employer" or "Superintendent") and by the resolution passed May 25, 1976, the Fresno County Board of Education recognized the California School Employees Association and its local Chapter #573 (hereinafter "CSEA" or "Association") as the exclusive representative of the classified bargaining unit (hereinafter "Unit Members"). At the mutual request of the Employer and Association and the classified bargaining unit was clarified by the Public Employment Relations Board on September 20, 1982. All of the above are incorporated herein and attached hereto.

1.2 It is understood and agreed that the specific provisions of this Agreement shall prevail over the Employer's practices and procedures and over State law to the extent permitted by State law, and in the absence of specific provisions in the Agreement, such practices and procedures are discretionary with the Employer.

1.3 This Agreement and any and all modifications thereto shall, unless otherwise so specified, become effective on the first working day following signing of the Agreement by an Association officer and the Employer, or his/her designee. The Association recognized that this Agreement or a successor Agreement may contain provisions which require the Employer to establish or modify certain policies and/or procedures to comply with the terms of said provisions and waives the right to grieve said provisions until the Employer has had sixty (60) days to conform to the Agreement.

ARTICLE 2

EMPLOYERS RIGHTS

2.0 EMPLOYERS RIGHTS

2.1 It is understood and agreed that the Employer retains all of its powers and authority to direct, manage, and control to the full extent of the law. Included in, but not limited to, those duties and powers that are the exclusive right to: determine his/her organization and direct the work of his/her employees; determine the times and hours of the operation in accordance with Article 8 of this Agreement; determine the kinds and levels of services to be provided and the methods and means of providing them; establish his/her education policies, goals and objectives; insure the rights and educational opportunities of students; determine staffing patterns; determine the number of kinds of personnel required; maintain the efficiency of the Employer's operations; build, move, or modify facilities; establish budget procedures and determine budgetary allocations; determine the methods of raising revenues; contract out work to the extent permitted by law and with the provisions of Education Code Section 45103.1, and any other provisions under the Education Code respecting contracting out, and the Educational Employment Relations Act ("EERA") are complied with; take action on any matter in the event of an emergency. In addition, the Employer retains the right to hire, classify, assign, evaluate, promote, terminate, and discipline employees.

2.1.1 When the proposed contracting out of work will require the layoff of a Unit Member or preclude the return to duty on a regular, ongoing basis, of a former Unit Member laid off for less than thirty nine (39) months, the Employer, or his/her designee, shall meet and negotiate the effects of said proposed actions with the Association. However, if the function(s) to be performed is within the scope of duties, as specified in the class description of the laid off former employee, said former employee shall be offered the opportunity to perform the function. The compensation shall be at the current range and at the step the former employee had attained at the time of layoff. Refusing to perform the function(s) shall not affect the former employee's layoff status.

2.2 The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Employer, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and expressed terms of this Agreement; and then only to the extent such specific and expressed terms are in conformance with law.

2.2.1 In the event of an emergency the Superintendent or his/her administrative designee shall have the right to alter or suspend any portion of this Agreement to the extent and for the period of time necessary to meet the emergency. "Emergency" as used in this Article includes, but is not limited to, highly unusual or catastrophic situations which may prevent the routine functioning of FCSS.

2.2.2 The determination of whether an emergency exists shall be solely the Superintendent's or in the absence of the Superintendent, the Administrator appointed to act on behalf of the Superintendent and expressly excluded from the provisions of Article 15 (Grievance Procedure) of the Agreement.

ARTICLE 3

UNIT MEMBER RIGHTS

3.0 UNIT MEMBER RIGHTS

3.1 UNIT MEMBER RIGHTS

3.1.1 The Employer and the Association recognize the right of a Unit Member to form, join, and participate in lawful activities of the Association and the equal alternative right of a Unit Member to refuse to join or to participate in Association activities. This shall not preclude the payment of a service fee in accordance with Article 5, Organizational Security.

3.1.2 Neither the Employer nor the Association shall interfere with, intimidate, restrain, coerce, or discriminate against a Unit Member because of the aforementioned right to engage or not engage in Association activities. But a Unit Member may be constrained by the provisions of Article 5, Organizational Security.

3.2 PERSONNEL FILE

3.2.1 The personnel file for a Unit Member shall be maintained in Human Resources located in the central administrative building of the Employer. No adverse action of any kind shall be taken against a Unit Member based on materials, which are not in the personnel file.

3.2.2 Access to Unit Member's personnel file shall be limited to the Employer, or his/her designee on a need to know basis. The contents of all personnel files shall be kept in the strictest confidence. A Unit Member's right to inspect his/her personnel file is subject to the following: such material available for inspection by the Unit Member shall not include ratings, reports or records obtained prior to the Unit Member's employment with the Employer, materials prepared by an identifiable examination committee member, or information obtained in connection with a promotional examination.

3.2.3 The Unit Member's right to inspect the materials in his/her personnel file or as a representative for another Unit Member, with the written permission of the Unit Member shall be restricted to those times the Unit Member or representative is not required to render service to the Employer and shall be during normal business hours of the Human Resources Office. If a Unit Member by virtue of the site to which the Unit Member is

assigned, or due to the duty hours or itinerant schedule assigned, cannot inspect his/her personnel file on a duty free basis, it may be done while in a duty status with the expressed approval of the Unit Member's supervisor. The instrument to secure approval shall be a Leave Request requesting "*Leave with Pay*" and reason "*To inspect personnel file.*" The Unit Member shall have a valid, compelling reason to inspect his/her personnel file while in a duty status.

3.2.4 A Unit Member may have a representative present when he/she inspects his/her personnel file. Upon written authorization by the Unit Member and prior notification to the Human Resources Office, a representative of the Association shall be permitted to examine or obtain copies of materials, for a fee, which are not of a restricted nature.

3.2.5 Any material of a derogatory nature placed in a Unit Member's personnel file shall not be entered or filed unless or until ten (10) days after the Unit Member is given a copy of the material and an opportunity to review and comment therein. The date of the hand delivery or mailing shall appear on the face of the document. Such time for review shall take place by mutual agreement with the Employer, or his/her designee, during normal business hours and the Unit Member shall be released from duty for the purpose without salary deduction.

3.2.6 Formal discipline documents in a Unit Member's personnel file shall, upon written request by the Unit Member, be sealed, if during the three (3) year period following the incident in question, the Unit Member was not reprimanded for unacceptable conduct and has maintained consistent satisfactory job performance. This section shall not restrict the Employer from responding to lawfully-issued subpoenas, court orders or other disclosures mandated by law. Discipline documents shall not include formal performance evaluations placed in a Unit Member's personnel file.

ARTICLE 4
ASSOCIATION RIGHTS

4.0 ASSOCIATION RIGHTS

4.1 GENERAL

4.1.1 Article 4 shall not be interpreted as a waiver of the Associations statutory organizational rights, but shall serve to provide for reasonable guidelines applicable to those rights.

All Association business, discussions, and activities will be conducted by Unit Members or Association officials outside established work hours as defined in Section 8.1 of Article 8 (Hours and Overtime) of this Agreement, and will be conducted in places other than County Schools Office property, except when:

- a. An authorized Association representative obtains in advance permission from the Employer, or his/her designee, regarding the specific time, place and type of activity to be conducted;
- b. The Employer, or his/her designee, can verify that such requested activities and use of facilities and equipment, if any, will not interfere with the Employer's programs and/or duties of Unit Members and will not directly or indirectly interfere with the right of Employees to refrain from listening or speaking with the Association representative; and
- c. The Association pays a reasonable fee for the use of institutional equipment and assumes liability for any loss or damage resulting from the use thereof. Notwithstanding, the Association shall have the right of access to employee work areas at reasonable times. Reasonable times for the purpose of this Article shall mean before work, during breaks/lunch periods, and after work.

4.2 REASONABLE REGULATIONS OF STATUTORY & OTHER ACCESS RIGHTS

The Association may use the Employer's mailboxes and bulletin board spaces designated by the Employer subject to the following conditions:

4.2.1 All postings for bulletin boards or items for school mailboxes must contain the date of the posting or distribution and the identification of the organization together with a designated authorization by the Association President.

4.2.2 A copy of such postings or distributions must be delivered to the Employer, or his/her designee, at the same time as posting or distribution and the Association will not post or distribute unauthorized information.

4.2.3 Failure to comply with the provisions of this Section (4.2) may, at the discretion of the Employer, result in the removal and/or recall of the information.

4.2.4 The Association may use FCSS' internal mail and email systems for the transmission of any non-political information pertaining to Association business.

4.2.5 Once per fiscal year, upon written request to Human Resources, the Association may receive a roster of Unit Members, which shall contain at least the Unit Members name, hire date, anniversary date, job code number (JCN), job title and department code.

4.2.6 An Association representative may request to briefly address Unit Members attending departmental staff meeting, subject to the following provisions:

- An address made to Unit Members shall be immediately following the conclusion of the departmental staff meeting.
- Unit Members shall not be required to remain beyond the conclusion of the departmental staff meeting.
- An Association representative wishing to address Unit Members shall specify the amount of time requested and secure the approval of the departmental head prior to the departmental meeting.
- Unless the Association representative is a regularly assigned member of the department a Unit Member shall not be provided release time for purposes of addressing or attending an Association address.
- The opportunity of an Association representative to address Unit Members shall not be unreasonably requested and/or withheld, but the provision of section 4.2.6 are specifically excluded from the Article 15, grievance procedure.

4.3 DISTRIBUTION OF COLLECTIVE BARGAINING UNIT AGREEMENT

4.3.1 Within thirty (30) working days of the execution of this Agreement the Employee shall distribute this Agreement as follows:

4.3.1.1 An electronic copy shall be placed on the Employer's website:

4.3.1.2 One (1) copy shall be sent to the Association's local field office; and

4.3.1.3 One (1) copy shall be sent to each Chapter Officer.

4.4 RELEASE TIME FOR ASSOCIATION BUSINESS

4.4.1 To secure release time for Association and/or CSEA Chapter business, a Unit Member shall first secure approval for release time from the Association and/or Chapter. Upon Association and/or Chapter approval, the Unit Member shall submit a request for approval of release time to the Unit Member's immediate supervisor seventy-two (72) hours in advance. Leave request must state reason for and duration of release time. The request for release time may be denied if it is determined the request would adversely affect department operations.

4.4.2 Providing it does not require the hiring of a substitute employee the Employer will provide release time to Unit Members to attend the CSEA Annual Conference for five (5) days annually. If the Unit Member is in paid status, the Employer will pay the salary and benefits for two (2) Unit Members attending said conference and the Chapter will reimburse the Employer for the cost of salary and benefits paid to all other attendees.

4.4.3 Should the Association and/or Chapter desire the release of Unit Members to attend trainings or other union business the procedure set forth in 4.4.1 above shall be complied with. The Association and/or Chapter shall confirm in writing its agreement to reimburse the Employer for the cost of salary and benefits paid by the Employer to Unit Members who have been provided the requested release time.

4.5 RELEASE TIME FOR CHAPTER OFFICERS/BUSINESS

4.5.1 An Association Chapter Officer, or his/her alternate, shall be granted release time, with pay, to attend an open County Schools Board meeting, whenever the published agenda for said board meeting contains one or more times, which impacts bargaining Unit Members terms and conditions of employment. Following the annual election of officers, the Chapter President shall notify the Employer in writing of the designee and alternate. The Chapter agrees to not designate a Unit Member whose attendance at a board meeting will require the payment of a substitute employee. If attending a board meeting will require the designee or alternate to be absent from his/her regular duty site, a Leave Request for "Other" with a reason of "Board Meeting" shall be submitted for approval of his/her immediate supervisor.

4.5.2 The Chapter President, or in the absence of the Chapter President, the person so designated by the Chapter President shall be granted reasonable release time to attend to the Association Chapter's business, which includes participation in new hire training as scheduled by Human Resources. This time shall be exclusive of the time the Chapter President is required to attend joint Association-Administration meetings. The aggregate release time for the Chapter President and the eBoard members shall not exceed eight (8) hours per month and shall not require the payment of substitute employees. The Chapter President and/or eBoard members shall submit a leave request for "Other" with a reason of "Chapter Business" at least 72 hours in advance to his/her immediate supervisor. The request for release time may be denied if it is determined the request would adversely affect department operations. The aggregate release time may exceed eight (8) hours with the specific approval of the Employer.

4.6 RELEASE TIME FOR NEGOTIATIONS

4.6.1 The identified members of the CSEA Negotiating Team shall be granted three (3) hours of release time to meet and prepare for negotiations on scheduled negotiations dates.

7.5 RETIREE BENEFITS

7.5.1 Coverage and Eligibility

- a. Upon retirement from the Fresno County Superintendent of Schools (“FCSS”) a Unit Member may purchase the retiree medical, dental or vision plans offered by FCSS for themselves, eligible dependents and spouse by paying a voluntary contribution in advance.
- b. The Unit Member must meet the eligibility requirements as set forth in 7.1.1 to qualify for retiree benefits.

- d. If a Unit Member declines retiree benefits on or before the date of their retirement or any date after their retirement, the retiree is ineligible to reenroll at a subsequent date.

7.5.2 Qualifiers for Employer Contribution

Unit Members may be eligible for an employer contribution toward the retiree medical, dental, or vision plans, if at their retirement from public school service they are employed by the Fresno County Superintendent of Schools and meet one of the following years of service requirements:

- a. A minimum of ten (10) years of continuous service at the Fresno County Superintendent of Schools.
- b. A total of twenty-five (25) years of public school education service in California, with the last five (5) years before retirement being served at the Fresno County Superintendent of Schools.

For those retirees who meet one of the two Service Requirements noted above, the FCSS monthly contribution towards retiree health benefits shall be as follows:

7.5.3 Retiree Benefits for Employees Retiring Prior to July 1, 2000 Who Are Not Eligible for Medicare

7.5.3.1 When a combination of the retiree’s age and years of service are equal to or greater than seventy-five (75) at the time of retirement and retiree is not eligible for Medicare benefits, the Employer’s monthly contribution shall be one-half (1/2) of the total contribution, but not to exceed eighty dollars (\$80.00).

7.5.3.2 When a combination of the retiree's age and years of service are equal to or greater than eighty (80) at the time of retirement and the retiree is not eligible for Medicare benefits, the Employer's monthly contribution shall be one hundred dollars (\$100.00) per month.

7.5.4 Retiree Benefits for Employees Retiring Prior to July 1, 2000 Who Are, or Become Eligible for Medicare

7.5.4.1 When qualified retiree is eligible for Medicare or becomes eligible for Medicare at any future date the Employer's contribution for supplemental coverage shall be one-half (1/2) the total contribution, but not to exceed seventy dollars (\$70) per month. In order to be eligible for the Employer's contribution towards Medicare supplemental policy, the retiree must provide evidence to the employer that they are enrolled in Medicare Parts A and B. The cost for Medicare A and B are the exclusive responsibility of the retiree.

7.5.4.2 A retiree participating in the benefits plan may expand the coverage to include a spouse by paying the applicable contribution, in advance, to the Fresno County Superintendent of Schools.

7.5.5 Contribution Toward Retiree Benefits for Employees Retiring After July 1, 2000:

- a. A Unit Member who has not reached the age of sixty-two (62) on the date of their retirement shall receive an employer contribution of eighty dollars (\$80.00) per month when a combination of the qualified retiree's age and years of public school service are equal to or greater than seventy-five (75) at the time of retirement and the employee is not eligible for Medicare benefits.
- b. A Unit Member who has not reached the age of sixty-two (62) on the date of their retirement shall receive an employer contribution of one-hundred dollars (\$100.00) per month when a combination of the qualified retiree's age and years of public school are equal to or greater than eighty (80) at the time of retirement and the retiree is not eligible for Medicare benefits.
- c. A Unit Member who is between the age of sixty-two (62) and sixty-five (65) shall receive an employer contribution towards the cost of retiree benefits in the same proportion as an active Unit Member from the date of retirement. "Same proportion" shall be defined as: a part, share, or number considered in

comparative relation to the whole. The month the retired employee reaches the age of sixty-five (65) and eligible for Medicare, the retired employee shall receive an employer contribution of two-hundred and sixty dollars (\$260.00) per month.

- d. A Unit Member who is at least sixty-five (65) on the date of their retirement shall receive an employer contribution of two-hundred and sixty dollars (\$260.00) per month toward retiree benefits, beginning with the first month following the date of their retirement.

7.5.6 Contribution Toward Retiree Benefits for Employees Retiring After July 1, 2018:

- a. A Unit Member who has not reached the age of sixty-two (62) on the date of their retirement shall receive an employer contribution of eighty dollars (\$80.00) per month when a combination of the qualified retiree's age and years of public school service are equal to or greater than seventy-five (75) at the time of retirement and the employee is not eligible for Medicare benefits.
- b. A Unit Member who has not reached the age of sixty-two (62) on the date of their retirement shall receive an employer contribution of one-hundred dollars (\$100.00) per month when a combination of the qualified retiree's age and years of public school are equal to or greater than eighty (80) at the time of retirement and the retiree is not eligible for Medicare benefits.
- c. A Unit Member who is between the age of sixty-two (62) and sixty-five (65) shall receive an employer contribution towards the cost of retiree benefits in the same proportion as an active Unit Member from the date of retirement. "Same proportion" shall be defined as: a part, share, or number considered in comparative relation to the whole. The month the retired employee reaches the age of sixty-five (65) and eligible for Medicare, the retired employee shall receive an employer contribution of three hundred dollars (\$300.00) per month.
- d. A Unit Member who is at least sixty-five (65) on the date of their retirement shall receive an employer contribution of three hundred dollars (\$300.00) per month toward retiree benefits, beginning with the first month following the date of their retirement.
- e. A Unit Member who is between the age of sixty (60) and sixty-one (61), with twenty (20) of continuous, consecutive years of service with FCSS, shall receive an employer contribution towards the cost of retiree benefits in the

same proportion as an active Unit Member from the date of retirement. When retiree turns sixty-two (62) the provisions of 7.5.6 c shall apply.

7.5.7 Maximum County Office Cost of Retiree Benefits

Qualified retirees shall be entitled to the employer contribution based on the specified criteria as set forth above, not to exceed the maximum approved employer cap. If the health and welfare cost paid for all CSEA Retirees exceeds five percent (5%) of the total cost of health and welfare benefits, (i.e., medical, dental, or vision), paid for all active Fresno County Superintendent of Schools employees in any play year, (October through September), a reduction in the total cost of benefits for CSEA retirees will be implemented as noted below.

7.5.7.1 All CSEA retirees will have a prorated reduction in their County Office paid health and welfare benefits until the total cost of benefits for all CSEA retirees equals approximately five percent (5%) of the total cost of health and welfare benefits for all active Fresno County Superintendent of Schools employees.

7.5.7.2 For example, if the total cost of health and welfare benefits for Fresno County Superintendent of Schools active employees is \$4,000,000.00 and the total cost of health and welfare benefits for County Office CSEA retirees is \$212,500.00, the total cost of CSEA retirees benefits would be reduced by $[(\$212,500.00) - (\$4,000,000.00 \times .05)] = \$12,500.00$. The prorated percentage that CSEA retiree benefits would be reduced by would be $[(\$12,500.00 / \$212,500.00)] = 5.88\%$. Therefore, a retiree receiving eighty dollars (\$80.00) per month in benefits would have those benefits reduced by 5.88% or a reduction of $\$80 \times .0588 = \4.70 / month. Therefore, the CSEA retiree would only receive $\$80 - \$4.70 = \$75.30$ per month for that plan year (October through September).

7.5.7.3 Upon retirement from the Fresno County Superintendent of Schools, a former Unit Member may continue to receive the medical and hospitalization benefits portion of the program by paying the voluntary contribution in advance.

7.5.8 Retiree Cash Payment for Benefits Cash Payments Towards the Cost of Retiree Benefits Paid by Retirees Who Retire After July 1, 2003

7.5.8.1 In compliance with subsection 7.1.1 a qualified retiree may elect to receive a reimbursement made directly to them for the purpose of purchasing medical,

dental or vision benefits outside the plans offered by FCSS. The monthly reimbursement shall be processed through FCSS's Accounts Payable.

7.5.8.2 However, as per Government Code Section 53202, retirees may only receive cash payment to reimburse a retiree for benefits purchased by the retiree. This payment may not be paid in lieu of benefits purchased by the retiree.

7.5.8.3 In order to facilitate providing retired employees with a cash benefit, through Accounts Payable, towards the cost of benefits paid by the retiree, the County Office will, as authorized in Government Code Section 53202.2, require proof of payment by the retiree towards a specific medical, dental, or vision benefit whose cost to the retiree equals or exceeds the County Office's payment to the retiree.

7.5.8.4 The proof of payment by the retiree will be provided to the Human Resources Department, prior to the first month of payment. Payment will be effective the first calendar month following receipt of proof.

7.5.8.5 The Human Resources Department in turn will provide the County Office Internal Finance Department with a proof of payment with the first payment to the retiree.

7.5.8.6 Finally, these Accounts Payable payments will be considered a retiree benefit and not income; therefore, no 1099-R form will be issued for these payments.

7.5.9 Continuing Coverage for Surviving Spouses of Classified Retirees Who Retire After July 1, 2005

7.5.9.1 The County Superintendent of Schools shall permit the enrollment of classified retirees surviving spouses in the same medical, dental and vision plans offered eligible active employees. Surviving spouses of classified retirees who elect coverage pursuant to this Article will be required to pay all premiums and other charges, including any increases in the rate of premiums and all costs incurred by County Superintendent of Schools in administering this Article.

7.5.9.2 This enrollment entitlement does not apply to either the new spouse upon the remarriage of a surviving spouse or the children of a classified employee.

7.5.9.3 The surviving spouse of a classified retiree must enroll in the coverage provided by this Article within thirty (30) days of losing County Office medical, dental and/or vision coverage through the classified retiree. If the surviving spouse does not enroll in a County Office medical, dental and/or vision plan during this initial 30-day enrollment period, the surviving spouse will be denied a further opportunity to do so.

7.5.9.4 This section shall permit enrollment into any County Office medical, dental or vision plan offered to other retirees, only once. A surviving spouse of a classified retiree who has been previously covered under this Article and who has voluntarily terminated that coverage, thereafter shall be excluded from obtaining coverage under this Article.

If two or more Unit Members with the same job classification who are employed in the same department request vacation time with coincidental dates, the Unit Member having greater employment seniority shall be given first consideration, provided none of the Unit Members have received approval.

9.2.6 Each Unit Member shall be responsible for monitoring his/her own vacation balance. A Unit Member with accrued vacation time which is unused in the fiscal year it was accrued may carry unused vacation time forward to the next fiscal year, except as provided for in Section 9.2.10. The Unit Member shall work collaboratively with their Department Head or designee to schedule vacation that will prevent exceeding the maximum accumulation. The maximum accumulation is the sum of the carry over plus the following year's accrual. Unit Members who may exceed the maximum accrual allowed during the next fiscal year will be provided opportunity to use earned vacation leave. If a Unit Member request is denied, the Unit Member shall be paid for the excess vacation time on or about the end of the second fiscal year at his/her then regular rate of pay.

9.2.9 A Unit Member about to resign, retire, take military leave (other than temporary military leave) not exceeding six months, or to be laid off through no fault of the Unit Member, and who has accrued vacation time may, with the permission of the Employer, take vacation time, not to exceed thirty (30) working days, prior to the effective date of said termination, retirement, or military leave, or take a lump sum payment, at the Unit Member's then current pay rate, in lieu of vacation off.

9.2.10 A Unit Member regularly assigned to perform duties in an instructional setting shall have his/her vacation time accrued on a monthly (fiscal year) basis and accrued vacation time shall be paid to the Unit Member in the regular monthly payroll. Payment shall be based on the hours of accrued vacation time multiplied by the Unit Member's then current hourly rate.

9.3.3 As noted above, there may be a few individuals who will be required to work specific days in order that necessary functions, such as payroll, are performed. Employees who are required to work during this period will be scheduled by their supervisors as soon as the specific need is known.

9.3.4 When a calendar year increases by an additional day (“Leap Year”), creating an additional work day, the Annual Modified Office Closure will be increased by one (1) paid vacation day for all eligible full-time 12-month Classified Bargaining Unit Members. The additional paid vacation day shall be designated by the Employer. (Example: Unit Member who works eight (8) hours per day will be granted an additional eight (8) hours of paid vacation.)

The Unit Member’s pay for such absence shall be the same as if the Unit Member had served.

9.4.2 A Unit Member employed less than full-time shall be entitled to that proration of ninety-six (96) hours sick leave as such part-time employment, not including overtime, bears to full-time employment.

9.4.3 A new Unit Member shall be credited with one (1) day of sick leave for the first month of employment if the Unit Member was in a paid status prior to the fifteenth (15th) day of the month.

9.4.4 Sick leave may be used in one half (1/2) hour (30 minute) increments only, starting from the time the Unit Member fails to appear for service at his/her regular time or leaves his/her assigned place of service, exclusive of time outside the Unit Member’s regular work day and lunch period.

9.4.5 Unused sick leave shall accumulate year-to-year. A Unit Member whose attendance record reflects “Leave without Pay,” or partial leave docks and a possible pattern of abuse, as deemed by Administration, shall be subject to disciplinary action, up to and including termination and/or disqualification of supplemental assignments. Supplemental assignments include, but are not limited to, Extended School Year, and Summer Sessions. Potential patterns of abuse include, but are not limited to, Monday/Friday absences, absences that extend vacation or holiday periods, multiple, intermittent absences not traceable to a serious health condition or disability, excessive partial absences, and routine failure to work a full week as evidenced by excessive payroll

docks that create an undue hardship on the department/program and/or have a negative impact on service delivery.

9.4.6 The Employer or its administrative designee may require a Unit Member to provide proof of illness or injury, in the manner specified by the Employer, or his/her designee, when, in the opinion of the Employer or his/her designee, such proof is warranted. If verification of illness or injury requires the services of a doctor, which the Unit Member would not otherwise have required, the Employer, or his/her designee, may designate the doctor and the Employer shall be liable for only the service fee necessary to procure the required verification. If the Unit Member has already made an appointment with, or is under the care of a doctor relating to the illness for which verification is requested, the Employer shall incur no liability. If the Unit Member is in a total or partial dock status and the Employer or his/her designee requests medical certification of illness or injury, it shall be the expense of the Employee. Any such proof of illness or injury shall not discriminate against evidence of treatment and need thereof by the practice of the religion of any well-recognized religious sect, denomination, or organization. Failure to provide the required proof may, at the discretion of the Employer, or his/her designee, subject the Unit Member to having the period of absence deducted from his/her salary.

9.4.7 When a Unit Member has exhausted his/her sick leave and is absent due to illness or injury for a period of five (5) consecutive days the Unit member would have been on duty, the Unit member shall be eligible for differential leave, retroactive to the first day of the five day waiting period.

9.4.7.1 Differential leave shall be paid at not less than one-half (1/2) of Unit Member's hourly rate of pay.

9.4.7.2 Differential leave shall be for a maximum of one hundred (100) duty days. A Unit Member on differential leave which extends into a new fiscal year shall be eligible only for the unexpended days of the initial differential leave for the same illness or injury.

9.4.7.3 A Unit Member eligible for differential leave may, with the approval of the Employer, use accrued vacation time between the expiration of sick leave and the beginning of differential leave.

9.4.7.4 A Unit Member who has expended his/her accrued sick leave and is not eligible for differential leave shall be charged with leave without pay for each hour or fraction thereof the Unit member is absent.

9.4.8 A Unit Member shall not, upon termination, be eligible for cash payment or compensatory time for accrued, unused sick leave. A retiring Unit member may be credited with unused sick leave according to the appropriate retirement system rules then in effect.

9.4.9 Unit Members using more sick leave than actually accrued and terminating prior to accruing sick leave time shall have the difference between used and accrued leave deducted from his/her pay at termination time. The deduction shall be the rate of pay in force as of the date of termination. For purposes of calculating accrued sick leave time, a calendar month shall be each calendar month or fifty-one percent (51%) or more, of the Unit Member last month of employment.

9.4.10 Any Unit Member who is in attendance each and every working day of an entire fiscal year, other than leave attributable to bereavement, jury duty, approved CSEA release time and/or vacation, shall be entitled to a paid day off referred to as "Attendance Day." Attendance Day shall be taken during the succeeding fiscal year or it will be forfeited.

9.5 SICK LEAVE (OTHER)

9.5.1 A Unit Member who has exhausted all entitlement to sick leave, vacation and other available paid leaves of absence and is still unable to return to work due to non-industrial accident or illness may, upon application by the Unit Member and approval of the Employer, be granted additional Other Sick Leave without pay, for a period not to exceed six (6) months.

9.5.2 Any Unit Member granted Other Sick Leave shall return to duty as soon as said Unit Member is capable of assuming the duties of his/her classification. Failure to do so may subject the Unit Member to disciplinary action.

9.5.3 The Employer may, at the time the request for Other Sick Leave is submitted and/or from time to time thereafter during the Unit Member's absence, require certification of the Unit Member's inability to perform his/her duties from a licensed doctor. Any such proof of illness or injury shall not discriminate against evidence of treatment and need thereof by the practice of the religion of any well-recognized religious sect, denomination

or organization. Failure to provide the request certification may result in the Employer denying or terminating the Other Sick Leave benefits.

9.6 CATASTROPHIC LEAVE

9.6.1 The Bargaining Unit may provide information to the Superintendent to assist a Unit Member in their request for approval to allow donations of accrued vacation or sick leave to be used towards Catastrophic Leave for Unit Member's long term illness or injury. For purposes of this section, "catastrophic" means an illness or injury that is expected to incapacitate the Unit Member for an extended period of time and whose personal illness or injury prevents them from performing the necessary functions of their job for a period of time that extends beyond all other leave available to the Unit Member.

9.6.2 Upon approval, it is the responsibility of the Unit member who is contributing leave to fill out the Employer generated "Sick Leave Donation Form" to initiate this action and deliver the form to the Human Resources Department. The Employer will then transfer the number of days authorized to the Unit Member in need.

9.6.3 Transferred days from a Unit Member are lost to Unit member whether the days are used or not by the receiving Unit Member.

9.6.4 A Unit Member cannot contribute catastrophic leave while in probationary status.

9.6.5 In no case shall such leave extend beyond sixty (60) days of paid leave.

9.7 PERSONAL NECESSITY LEAVE

9.7.1 Any days of accumulated sick leave, may be used in one-half hour (30 minute) increments by a Unit Member for Personal Necessity leave when the personal necessity is one of the following:

9.7.1.1 Death of a member of the Unit Member's Immediate Family, as defined in Section 9.12, Bereavement Leave, when additional leave is requested beyond that provided for in Section 9.12 or when deceased is not an immediate family member.

9.7.1.2 Accident involving the Unit Member's person or property, or the person or property of the Unit Member's immediate family.

9.7.1.3 Appearance in any court or before any administrative tribunal as a litigant, party or witness under subpoena or any order made with jurisdiction, except as provided for in 9.13.

9.7.1.4 Attend school activities defined as follows: any activity that is sponsored, supervised, or approved by the school (e.g. parent conferences, open house, school orientation and/or meeting called by the school).

9.7.1.5 Any other genuine emergency in the Unit Member's personal life, or any pressing personal business that cannot reasonably be conducted after the Unit Member's normal working hours. This provision, under no circumstances, shall include utilizing personal necessity for the purpose of secondary employment.

9.8 PERSONAL NECESSITY CONFIDENTIAL LEAVE

9.8.1 Unit Members may use up to two (2) working days of Personal Necessity Leave annually in a confidential manner, i.e., the reason for requesting Personal Necessity Leave will be stated as "confidential." Requests for Personal Necessity Confidential Leave shall not be less than one-half hour (30 minutes) increments.

9.9 PERSONAL LEAVE ABSENCE

9.9.1 A Unit Member may be eligible for Personal Leave of Absence for a period which may not exceed one (1) year upon written application by the Unit Member, recommendation of the Unit member's appropriate Administrator, and approval of the Employer, subject to the following:

9.9.1.1 The leave of absence will be without pay. A Unit Member on leave of absence under Personal Leave of Absence in excess of thirty (30) calendar days shall not, from the date the leave starts, accrue seniority, step increases, sick leave, or other fringe benefits granted to regular Unit Members.

9.9.1.2 A Unit Member must submit a request for Personal Leave of Absence sufficiently in advance to provide a reasonable opportunity to find a substitute employee for the duration of the Unit Member's leave of absence, if required.

9.9.1.3 Failure by the Unit Member on a Personal Leave of Absence to return to duty at the expiration of the approved leave period shall be considered abandonment of the position and the Unit Member shall be terminated for cause.

9.9.1.4 A Unit Member desiring to return to duty prior to the expiration of the approved leave period shall provide the Employer with a written request to return, specifying the date of availability. Upon receipt of the request to return, and the

approval of the Employer, the Unit Member shall be placed in a vacant position in the job classification of the Unit Member's previous assignment.

9.10 FAMILY MEDICAL LEAVE ACT (FMLA) AND CALIFORNIA FAMILY RIGHTS ACT (CFRA)

9.10.1 Employees who have completed one (1) year consisting of at least 1,250 hours of service are eligible for Family Leave.

9.10.2 Family Leave is unpaid leave. For Unit Members on family leave, the County Office will maintain the Unit Member's health and welfare coverage under the group health and welfare plans, up to the legally required term. The County Office contribution for the health and welfare plans will be the same contribution that is made for Unit Members not on leave. However, should the Unit Member fail to return from the family leave, the cost of all health and welfare benefits will be reimbursed by the Unit Member to the Employer. The Employer may withhold any monies owed the Unit Member to satisfy the cost of health and welfare benefits owed to the Employer because of the Unit Member's failure to return to work at the end of a family leave.

9.10.3 REASONS FOR TAKING FAMILY LEAVE

- a. Care for the Unit Member's child after birth, or placement for adoption or foster care.
- b. Care for the Unit Member's spouse, son or daughter, or parent, who has a serious health condition.
- c. Due to the Unit Member's own serious health condition that makes the Unit Member unable to perform the essential functions of his/her position.
- d. Because of any qualifying exigency arising out of the fact that the Unit Member's spouse, child, or parent is a covered military member on covered active duty (or has been notified of an impending call or order to covered active duty).
- e. To care for a covered service member with a serious injury or illness if the Unit Member is the spouse, child, parent, or next of kin, as defined, of the service member.

9.10.4 PROCEDURES FOR OBTAINING FAMILY LEAVE

- a. The Unit Member ordinarily must provide thirty (30) days advance leave notice when the need for leave is foreseeable. Requests for family leave must be made in writing. Leave may be denied if requirements are not met.
- b. The Unit Member must provide the Employer with medical certification documenting the need for FMLA/CFRA leave.
- c. Length of leave may not exceed twelve (12) calendar weeks and will run concurrently with Paid Sick Leave, Paid Differential Sick Leave and Paid Industrial Illness and Accident Leave when the leave is due to the Unit Member's own serious health condition. However, CFRA leave will not run concurrently with Pregnancy Disability Leave.
- d. Upon completion of FMLA/CFRA leave, Unit Member's will be restored to their original or equivalent position with equivalent pay, benefits, and other employment terms.

9.11 PREGNANCY DISABILITY LEAVE

9.11.1 A female Unit Member shall be entitled to the leave provisions of Section 9.8, Personal Leave of Absence, with the submission of written verification of pregnancy by a licensed physician or licensed medical facility.

9.11.2 Pregnancy leave shall become effective upon the Unit Member's request and the Employer's approval. Said leave may include a reasonable period following termination of the pregnancy.

9.11.3 A Unit Member may return to work the first regular Working Day following submission to the Employer of a certificate from the attending physician that the Unit Member is capable of resuming the duties of her position.

9.11.4 A pregnant Unit Member may elect to use part or all of said Unit Member's accumulated leaves pursuant to the provisions of Sections 9.2, Vacation and/or 9.4 Sick Leave, of this Article prior to leave under the provisions of Section 9.8, Personal Leave.

9.11.5 A pregnant Unit Member whose medical condition would render the Unit Member unable to perform her duties, irrespective of the pregnancy, shall be eligible for the provisions of Section 9.3, Sick Leave, solely for the period of disability regardless of

whether the Unit Member has already begun a pregnancy leave pursuant to the provisions of Section 9.11.1, Pregnancy Leave, or not.

9.11.6 Pregnancy disability leave shall not exceed four (4) months.

9.12 MATERNITY / PATERNITY LEAVE

9.12.1 Upon request, the Employer may provide a Unit Member who is a natural or adopting parent a leave of absence for the purpose of maternity/paternity leave in accordance with the FMLA/CFRA and Education Code Section. A Unit Member shall notify the employer that he or she intends to take such leave at least four (4) weeks prior to the anticipated date of which the leave is to commence or less if approved by the Employer.

9.13 BEREAVEMENT LEAVE

9.13.1 Upon request, a Unit Member shall be granted Bereavement Leave for the death of the Unit Member's immediate family.

9.13.2 As per California Education Code 45194, members of the immediate family used in this section, means the mother, mother-in-law, father, father-in-law, grandmother, grandmother-in-law, grandfather, grandfather-in-law, grandchild, spouse, son, son-in-law, daughter, daughter-in-law, brother or sister of the Unit Member, step or foster relation of the Unit Member or any relative living in the immediate household of the Unit Member.

9.13.3 Every person employed in the classified service of any school district shall be granted necessary leave of absence, not to exceed four days, or five days if out-of-state travel is required, on account of the death of any member of his immediate family. No deduction shall be made from the salary of such Unit Member nor shall such leave be deducted from leave granted by other sections of this Code. A Unit Member may take Bereavement Leave in one-day increments, not to exceed four working days or five working days if out-of-state travel is required for any one bereavement occasion. The one-day increments of Bereavement Leave need not be consecutive, but must be taken within thirty (30) calendar days of the first request for Bereavement Leave.

9.13.4 Every Unit Member shall be entitled to one (1) day leave of absence on account of the death of a brother-in-law or sister-in-law. No deduction shall be made from the salary of such employee, nor shall such leave be deducted from leave granted by other sections of the Education Code.

9.13.5 When additional time is requested after Bereavement Leave has been exhausted or when the deceased is not an immediate family member, then Personal Necessity may be used.

9.14 COURT APPEARANCES

9.14.1 A Unit Member shall be paid when summoned to jury duty, while making a court appearance related to his/her employment, or when requested to make a material contribution (either as a witness or to file a formal deposition) to a criminal case. When summoned for jury duty, any compensation, other than mileage, meals, and parking, received for such jury duty shall be endorsed over to the Employer. A Unit Member whose regular work shift commences at 4:00pm or later shall be relieved of duty with pay for any night in which the Unit Member was required to be in court six (6) or more hours during the day.

9.15 MILITARY LEAVE

9.15.1 Military service leave shall be granted in accordance with Federal and State law upon written request to the Employer from the Unit Member involved. If a Unit Member enters the military service of the United States, he/she shall be given an indefinite leave of absence. He/she shall retain all rights of employment, and time spent in the military service shall be considered in computing years of service.

9.15.2 In the event a Unit Member enters the military service of the United States, the vacant position(s) and any position(s) created in the class of positions shall be deemed duration positions. Any person subsequently appointed to the class will be considered to have less credit for years of service than the Unit Member who left the position to enter military service. In the event a layoff is necessary, persons appointed to duration positions will be laid off first. A Unit Member returning from military service shall be reinstated in his/her former position or office provided application for reinstatement is made within six (6) months of separation from service, and the Unit Member is physically and mentally able to perform the duties required of his/her position or office.

9.16 RETRAINING AND STUDY LEAVE

9.16.1 The Employer recognizes the desirability of Unit Members to seek retraining and study to improve the effectiveness of a Unit Member in his/her present position and/or to prepare him/her for advancement. To this end, a Unit Member is encouraged to take

advantage of educational opportunities which are in the best interests of both the Unit Member and the Employer.

9.16.1.1 Study Hours A Unit Member desiring to enroll in formal instruction at an accredited institution may do so on his/her own time and at his/her own expense. If the course offerings for such studies will require an adjustment to the Unit Member's regular work hours, the Employer encourages the adjustment of the Unit Member's work schedule when such adjustment will not reduce the effectiveness and efficiency of the Unit Member's work assignment. The Employer, or his/her designee, may require proof of enrollment to make an adjustment to a Unit Member's work schedule.

9.16.2 In-Service Training A permanent Unit Member may, upon application, concurrence of the Unit Member's Department Head/Administrator, and approval of the Employer or his/her designee, attend courses of study of approved academic institutes and such other training programs as are designed to upgrade the classified service, and retrain a Unit Member who may otherwise be subject to a limitation of opportunities or layoff due to technological changes.

9.16.2.1 A Unit Member approved to attend training sessions during normal working hours shall be provided training leave at the Unit Member's normal rate of pay.

9.16.2.2 Study Leave A Unit Member desiring to attend training sessions without the approval of the Employer may do so on his/her own time at his/her own expense. If said training session requires the Unit Member to be absent from duty during normal working hours, including travel to and from the training session, the Unit Member shall submit a leave request and receive approval.

9.16.2.3 A Unit Member attending an approved training session requiring travel outside the greater city of Fresno area and/or involving lodging and meals shall be reimbursed according to the then current travel and per diem policies of the Fresno County Superintendent of Schools.

9.16.2.4 Training sessions involving tuition or other entry fees shall be paid in advance, when practical, by submission of a purchase requisition. If a Unit Member

pays the approved fee(s), the Unit Member will be reimbursed upon submission of the approved travel expense form.

9.16.2.5 Failure of a Unit Member to comply with the requirements of this Retraining and Study Leave section or to attend and satisfactorily complete an approved retraining session, may, at the option of the Employer, be denied reimbursement, subject to disciplinary action, or both.

9.17 INDUSTRIAL ILLNESS AND INJURY LEAVE

9.17.1 A Unit Member shall be granted leave with pay, for a period not to exceed sixty (60) working days, in any fiscal year, for the same illness or injury resulting from or out of employment with the Employer.

9.17.1.1 A “working day” is defined as any portion of a Unit Member’s assigned work day.

9.17.2 As required by the Family Medical Leave Act (FMLA) of 1993, Unit Member’s on Paid Industrial Illness or Injury Leave (PIIOIL) will be notified at the beginning of PIIOIL that the twelve (12) weeks of PIIOIL will be counted against the FMLA leave entitlement noted in Article 9, Section 9.9.4(c).

9.17.3 PIIOIL shall not be a vested right of the Unit Member until the Unit Member has completed one (1) complete, consecutive year of active service with the Employer.

9.17.4 Such leave shall not accumulate from year to year. When an industrial illness or injury occurs at a time when the sixty (60) working days leave will overlap into the next fiscal year, the Unit Member shall be entitled to only the amount remaining at the end of the fiscal year in which the illness or injury occurred for the same illness or injury.

9.17.5 Payment by the Fresno County Superintendent of Schools for wages lost on any day shall not, when added to an award granted the Unit Member under Workers’ Compensation Law, exceed the Unit Member’s normal wage for the day.

9.17.6 Leave under this Section shall commence on the first day of absence and will be reduced by one day for each day of authorized absence regardless of a compensation award made under Workers’ Compensation.

9.17.7 Leave under this Section shall be used in lieu of entitlement acquired under Section 9.4, Sick Leave. When leave under this Section has been exhausted, entitlement

such as sick leave, vacation, compensated time-off and differential sick leave shall be used.

9.17.8 During all paid leaves of absence, whether under this Section, sick leave, vacation, compensated time-off or other available leave, the Unit Member shall endorse to the Fresno County Superintendent of Schools wage loss benefit checks received under Workers' Compensation Laws. The Fresno County Superintendent of Schools shall, in turn, issue the Unit Member appropriate warrants for payment of wages and shall deduct normal retirement and other authorized contributions.

9.17.9 When all available leaves of absences, paid and unpaid, have been exhausted, if the Unit Member is not medically able to assume the duties of the Unit Member's position, the Unit Member shall, if not placed in another position, be placed on a re-employment list for a period of thirty-nine (39) months. When available, during the 39-month period, the Unit Member shall be employed in a vacant position in the class of the Unit Member's previous assignment over other available candidates except for a layoff re-employment list established because of a lack of work or lack of funds, in which case the Unit Member shall be listed in accordance with the appropriate seniority rankings relative to other persons in like class on the re-employment list.

9.17.10 A Unit Member placed on the re-employment list who has been medically released for return to duty and who fails to accept an appropriate assignment shall be dismissed.

9.18 HOLIDAYS

9.18.1 Each Unit Member shall be entitled to the paid holidays shown in Appendix D herein, provided the Unit Member is in a paid status during any portion of the working day immediately preceding or the working day immediately succeeding the holiday, except as provided in Subsection 9.18.2 of this Article.

9.18.2 A regular Unit Member not normally assigned to duty during the holidays of December 24 (Christmas Eve), December 25 (Christmas Day), and January 1 (New Year's Day) shall be paid for those three (3) holidays provided that the Unit Member was in a paid status during any portion of the working day of his/her normal assignment immediately preceding or succeeding the holiday period.

9.18.3 When a specified holiday falls on a Sunday, the following Monday shall be deemed to be the holiday in lieu of the day observed. When a specific holiday falls on a Saturday, the preceding Friday shall be deemed to be the holiday in lieu of the day observed.

9.18.4 When a Unit Member has a work week which includes working Saturday, Sunday, or both as part of the Unit Member's regular work week and a holiday or day designated as a day off in lieu of the observed holiday occurs on a day the Unit Member has a day outside the Unit Member's normal work week, the Unit Member shall be given a working day off, as specified by the Employer, or his/her designee, or be considered to have worked on a holiday.

9.18.5 If a holiday is not required to be on a certain date by law and does not meet the provisions of 9.18.3 or 9.18.4, the Employer or his/her designee and the Association shall meet and negotiate the holiday schedule for the holiday(s) prior to the date the Employer has a statutory requirement to publish the annual calendar. Agreed to holidays shall be shown in Appendix D, attached hereto, and by this reference, incorporated herein as a part of this Article.

9.18.5.1 A Unit Member may, due to his/her assignment, be required to substitute another holiday for a holiday specified in Appendix D. This shall be determined by the adopted calendar of the program and/or school district to which the Unit Member is assigned.

9.18.5.2 When, due to differences in the Employer's holiday schedule and those of the districts served by the Employer, it is necessary for some or all of the Employer's office to be open for business on the designated and alternate holiday dates, the Employer and Association agree as follows:

9.18.5.2.1 These provisions will not be applicable to Unit members with assignments as specified in 9.18.5.1.

9.18.5.2.2 The Employer shall not designate an alternate day(s) for the published holiday until the Association has had a chance to meet, confer, and submit the Association's recommendations to the Employer or his/her designee.

9.18.5.2.3 Each department or program shall allow each Unit Member to select which alternative the Unit Member prefers. The selection shall

not be changed unless: (a) the minimum needs of the department or program cannot be met; or (b) two or more Unit Members performing substantially the same duties at the same work site elect the same day, in which case the selection shall be by employment seniority.

9.18.6 A Unit Member shall be granted, in addition, every holiday provided for in subdivision (a) (12) of Education Code Section 37220 for a public fast, thanksgiving or holiday, or any day declared a holiday under Section 1318 for classified employees.

PROCEDURES FOR EVALUATIONS OF PERFORMANCE

10.0 PROCEDURES FOR EVALUATIONS OF PERFORMANCE

10.1 PURPOSE OF EVALUATION

10.1.1 It is recognized that a system of evaluation is essential to assist Unit Members in developing competency and realizing their potential. It is further recognized that information gathered through such a system will enable decisions that measure a Unit Member's performance in a just and equitable manner.

10.1.2 The evaluation procedure is a cooperative process designed to:

- a. Promote the achievement of goals and objectives of the County Office and its programs through the assessment and evaluation of the staff that perform within that program;
- b. Provide a formal method of recognizing staff achievement and growth;
- c. Identify abilities and specific indicators most critical to support job performance;
- d. Develop suggestions and direction regarding desired performance and improvement based on standards for like positions;
- e. Increase the employee's understanding of performance from the supervisor's viewpoint; and
- f. Provide a process of two-way communication to evaluate job performance.

10.2 EVALUATION INSTRUMENT

10.2.1 The evaluation shall be documented on the Employer generated evaluation form.

10.3 FREQUENCY

10.3.1 Probationary Evaluatees

10.3.1.1 A Probationary Unit Member shall be evaluated at about the end of the third and fifth months of the probation period.

10.3.1.2 The Unit Member's fifth month evaluation shall contain the Evaluator's recommendation concerning permanency and must be done within thirty (30) working days of the end of the probationary period.

10.3.1.3 Evaluation deadlines may be extended when a probationary Unit Member is on sick leave or extended sick leave.

10.3.2 Permanent Evaluatees

10.3.2.1 A Unit Member in a permanent status with less than two (2) years of service to the Employer shall be evaluated annually and no later than May 1 of the fiscal year the evaluation takes place.

10.3.2.2 A Unit Member in a permanent status with more than two (2) years of service to the Employer shall be evaluated every other year, as specified by the Employer; and no later than May 1 of the fiscal year the evaluation takes place.

10.3.3 Other Frequency Provisions

10.3.3.1 A Unit Member whether probationary or permanent may be evaluated at any other time as deemed necessary by the Evaluator.

10.3.3.2 If a Unit Member is scheduled to be evaluated during a particular fiscal/school year, but is granted a leave of absence for one (1) semester or longer, such evaluation shall take place during the first year of return to duty.

10.4 NOTIFICATION

10.4.1 A Unit Member shall be given notice of the time, date, and location of the evaluation conference at least three (3) working days in advance of the scheduled date. Unless otherwise mutually agreed to be the Unit Member and the Evaluator, the time of the conference shall be during normal office hours.

10.4.2 If, for any reason, the evaluation conference as originally scheduled cannot be held, the conference shall be rescheduled as soon as reasonably possible and the Unit Member so notified.

10.5 EVALUATION REQUIREMENTS

10.5.1 The Unit Member's Evaluator shall be his/her Immediate Supervisor in the FCSS program.

10.5.2 The Evaluator's role to assist the Unit Member may include, but not be limited to the following:

- a. Specific recommendations for improvements;
- b. County Office of Education assistance to implement such recommendations;
and
- c. Provision of available resources, without cost to the Unit Member, to be utilized to assist with improvements.

10.5.3 The Evaluator shall, at the time the evaluation conference commences, have the evaluation instrument completed (with the possible exception of specific recommendations(s) which may be mutually established if appropriate).

10.5.4 The Unit Member shall, at the beginning of the conference, have an opportunity to read his/her evaluation.

10.5.5 At the conclusion of the conference, the Unit Member and the Evaluator shall sign and date the evaluation form signifying only that the conference has taken place, not that the Unit Member concurs with the evaluation.

10.6 APPEAL OF EVALUATION

10.6.1 If the Unit Member feels the evaluation is incorrect or inaccurate, the Unit Member may appeal as follows:

- a. The Unit Member shall have ten (10) working days from the date of the evaluation conference within which to file a written rebuttal with Human Resources and the Evaluator. The written rebuttal will be attached to the evaluation instrument for placement in the personnel file.
- b. Within the same ten (10) working day period, the Unit Member may request a three party conference (Unit Member, Evaluator, and next level Administrator). The completion of this conference ends the appeal process.

10.7 OTHER PROVISIONS

10.7.1 Either party may request the presence at the conference, or any part of the conference, of a superior to the Unit Member to be co-Evaluator when, in the opinion of either party, this can make a constructive contribution to the Evaluation process. Should either party request the presence of a co-Evaluator, at least two (2) days prior notice shall be given.

10.7.2 If the Unit Member has reasonable expectations that the purpose of the evaluation process is to establish a basis for the distinct possibility of future disciplinary action, the Unit Member may request the presence of a CSEA Representative as an observer at the evaluation conference. Should the Unit Member choose to have a CSEA Representative present he/she must notify the Evaluator at least two (2) days prior to the evaluation conference.

10.7.3 Said CSEA Representative shall not directly participate in the evaluation conference but may ask questions to clarify evaluation related points with which the CSEA Representative may not be familiar provided said questions are not disruptive and/or argumentative in nature.

10.7.4 If the CSEA Representative is a Unit Member, said Unit Member must secure release time from his/her supervisor sufficiently in advance to ensure each absence from duty will not interfere with the orderly functions of the County Office.

10.7.5 If, in the opinion of the Evaluator, the evaluation conference is not accomplishing the intent, the Evaluator may terminate the conference, sign the evaluation form, request the Unit Member signature and distribute the evaluation form as specified.

10.7.6 A negative evaluation during the probationary period may contribute in a Unit Member being denied permanent status.

ARTICLE 11

TRANSFERS, PROMOTIONS, VACANCIES AND LAYOFFS

11.0 TRANSFERS, PROMOTIONS, VACANCIES AND LAYOFFS

11.1 DEFINITIONS

11.1.1 For the purposes of this Article, the term “**vacancy**” shall be defined as an opening, which remains funded, resulting from the resignation, retirement, death, promotion or termination of an employee or the creation of a “new position.”

11.1.1.1 When a vacancy occurs within ninety (90) calendar days from the closing date of a prior recruitment for a position within the same classification and same range, the employer may select the next available ranked candidate from that prior recruitment.

11.1.2 The term “**transfer**” shall mean a Unit Member is relocated from one position to a different position within the same job classification and the same range. A transfer may be Unit Member initiated or Employer initiated.

- a. Voluntary Transfer – Initiated by either the Employee or the Employer with the consent of the Employee.

11.1.3 The term “**promotion**” shall apply to a situation where a Unit Member applies for, is selected for, and accepts a new or vacant classification with a range higher than the Unit member’s present range.

11.1.4 The term “**new position**” shall apply to any new position that has been deemed necessary, properly instituted into the unit, and which is funded and unfilled making it subject to Unit Member requests for Transfer and Promotion consideration.

11.2 TRANSFER CRITERIA

11.2.1 Whenever a transfer is being considered, voluntary or involuntary, it will be reviewed and assessed by administration based on the following:

- a. When the Employer or his/her designee believes a transfer of a Unit Member to be in the operational interests of Fresno County Superintendent of Schools;
- b. Possession of the minimum qualifications required on the job description for the specific position to which the transfer is sought;

15.5.1.2 If agreement cannot be reached regarding the appointment of the third member by the first two (2) appointees within the time specified, the California Conciliation Service shall be requested to submit a list of five (5) names of individuals known to them to be knowledgeable in public elementary and secondary education. 15.5.1.4 The Committee shall provide both the Employer's Representative and the Employee, or the Employee's Representative, a reasonable opportunity to present witnesses, evidence, and arguments. The rules of conduct for said presentations shall be determined by Committee majority.

15.5.1.5 The jurisdiction of the Committee shall be confined to a determination of the relevant facts and interpretation of the provisions of this Agreement.

15.5.1.6 The Committee may recommend remedies, including financial reimbursement, as part of its advisory decision.

15.5.1.7 Within ten (10) days of the Committee sitting, it shall render a written opinion to the Grievant and the Employer. Said opinion shall be advisory only and non-binding on either the Employer or the Grievant.

The Association and the Employer will be responsible for their own costs incurred in Advisory Arbitration. The Employer shall invoice the Association by mail and the Association shall reimburse the Employer within twenty (20) Working Days of receipt of said invoices.

CONTRACT CLAUSES

16.0 CONTRACT CLAUSES

16.1 SAVINGS CLAUSE

If during the life of this Agreement there exists any applicable law or any applicable rule, regulation, or order issued by a governmental body other than the Employer which shall render invalid or restrain compliance with or enforcement of any provision of this Agreement, such provisions shall be immediately suspended and be of no effect hereunder so long as such law, rule, regulation, or order shall remain in effect. Such invalidation of a provision of this Agreement shall not invalidate any remaining provisions, which shall continue in full force and effect. Should said invalidated provision be negotiable, it is agreed that the Association and Employer, shall, within a reasonable period of time, meet to negotiate a successor provision.

16.2 SUPPORT OF AGREEMENT

16.2.1 It is agreed and understood that there will be no strike, work stoppage, slowdown, picketing or refusal or failure to fully and faithfully perform job functions and responsibilities, or other interference with the operations of the Employer by the Association or by its officers, agents, or members during the term of this Agreement, including compliance with the request of other labor organizations to engage in such activity.

16.2.2 The Association recognizes the duty and obligation of its representatives to comply with the provisions of this Agreement and to make every effort toward inducing all Unit Members to do so. In the event of a strike, work stoppage, slowdown, or other interference with the operations of the Fresno County Office of Education by Unit Members who are represented by the Association, the Association agrees in good faith to take all necessary steps to cause those Unit Members to cease such action.

16.2.3 It is agreed and understood that any Unit member violating this Article may be subject to discipline up to and including termination by the Employer.

16.2.4 It is understood that in the event this Section is violated, the Employer shall be entitled to withdraw any rights, privileges, or service provided for in this Agreement or in the Employer's Policies and Practices from any Unit Member and/or the Association.

16.2.5 The Employer agrees to not lock out the Unit Members during the term of this Agreement.

16.3 THIRD PARTY WORK STOPPAGE

16.3.1 The provisions of Section 16.2, specifically Subsections 16.2.1 through 16.2.5 notwithstanding, the Employer and the Association recognized that duties and assignments of some Unit Members places them in situations where neither the Employer nor the Association has control of events. The following is intended to provide guidance to a Unit member who becomes involved in any form of work stoppage by a third party, which is not a party to this Agreement.

16.3.2 Juvenile Justice Campus Unit Members assigned to the Juvenile Justice Campus shall follow the instructions of the Memorandum incorporated into this Agreement as Appendix E or any revisions made thereto at any time or from time to time with the concurrence of the Association.

16.3.3 Other Local Educational Authority (LEA)

If a Unit Member is regularly assigned to work at a site under the control of an LEA other than the Employer and LEA is subjected to a work stoppage, slowdown, picketing or other concerted action which will preclude the Unit Member from performing his/her assignment:

16.3.3.1 If the Unit Member is aware of the intended concerted action prior to reporting for duty at the site, the Unit Member shall contact his/her immediate supervisor for instructions as far in advance as possible. If the Unit Member cannot contact the immediate supervisor within a reasonable period of time, the Unit Member shall contact the person whom the immediate supervisor reports.

16.3.3.2 If there is a concerted action in progress, about which the Unit Member had no prior knowledge, when the Unit Member reports for duty and the Unit Member; (A) reasonably believes reporting for duty will expose the Unit Member or the Unit Member's personal property to harm, or; (B) if the Unit Member is informed by the site administrator that the Unit Member's duties have been suspended; the Unit Member shall, as quickly as possible, contact the Unit Member's immediate supervisor for instructions. If the immediate supervisor is not available, the Unit Member shall contact the Unit Member's department head or next higher authority.

16.3.4 Another Bargaining Unit of the Employer

Unless instructed otherwise in advance by the Employer or his/her designee, a Unit Member will report to his/her regular assignment at the regularly assigned time in the event there is a concerted action by another bargaining unit of the Employer.

16.3.5 The provisions of this Section are not intended, nor should they be interpreted as superseding or negating the provisions of Section 16.2 of this Article.
